

Wash-Bots Tank EZ

Designed for washing liquid transporters, dump trucks, cement trucks and mixers, the D Tank EZ is available with battery power and a hydrostatic traction drive. The wide diameter 1600mm (5'3") brush will easily reach in to clean the nooks and crannies of rounded vehicles such as fuel tankers. The EASY DRIVE 4WS feature is ideal for this large machine, allowing the slightest of operators to work it tirelessly and with total ease.

TECHINAL FEATURES: Wash-Bots Tank EZ
