

Wash-Bots 626 EZ

Our Portable 626 EZ is a quantum leap in providing endless wash muscle and wash-anywhere convenience at the touch of a button. Go from bay to bay or from indoors to outdoors, to wash up to 30 vehicles on one charge.

Twenty-five years in the making, this cutting-edge machine turns a single operator into a 4 person strong wash-crew. Rudder controls, a central drive wheel and four steering wheels provide feather light traction and steering. The simple controls make the 626EZ so easy to operate a 12 year old can drive it intuitively.

TECHNICAL FEATURES: Wash-Bots 626 EZ

CHARACTERISTICS:

Power supply	24V Battery
Traction and steering	Central motorized wheel and rudder control steering
Brush Inclination	0° – 10°
Inclination system power supply	Electric 24V
Brush Rotation power supply	Electric 24V
Traction system	Electric 24V
Weight loaded	2156 lbs.
Weight unloaded	1232 lbs.

DIMENSIONS:

Overall height with standard brush	8 – 15 feet
Effective wash height	8 – 15 feet
Base size	3'6" x 4'
Brush diameter	3'5"

PERFORMANCE:

Water tank capacity	112 gallons
Brush revolutions per minute	100 RPM
Brush engine power	1 KW
Washing/travel speed	0 – 112 ft./min.

BRUSH AVAILABILITY:

Standard	UV resistant, feathered polyethylene brush
Bus-Lite	Closed-pore foam
Hybrid	50/50 mixture of standard and bus-lite
Custom	Custom brushes made to order
