

Wash-Bots A225 EZ

The Portable A225 EZ is a quantum leap in providing endless wash muscle and wash-anywhere convenience at the touch of a button. Take it from bay to bay or from indoors to outdoors, to wash up to 100 large vehicles a day. Just refuel and work 24/7.

Twenty-five years in the making, this cutting-edge machine turns a single operator into a 4 person strong wash-crew. Rudder controls, a central drive wheel and four steering wheels provide feather light traction and steering. The simple controls make the A225 EZ so easy to operate a 12 year old can drive it intuitively.

TECHNICAL FEATURES: Wash-Bots A225 EZ

CHARACTERISTICS:

Power supply	Diesel
Engine power	5 KW
Traction and steering	Central motorized wheel and rudder control steering
Brush Inclination	0° – 10°
Inclination system power supply	Electric 12V
Brush Rotation power supply	Hydraulic
Traction system	Hydraulic
Weight Loaded	2024 lbs.
Weight Empty	1100 lbs.

DIMENSIONS:

Overall height with standard brush	13' 10"
Effective wash height	13' 6"
Base size	3'6" x 4'
Brush diameter	3' 5"

PERFORMANCE:

Water tank capacity	112 gallons
Brush revolutions per minute	100 RPM
Washing/travel speed	0 – 112 ft./min.

BRUSH AVAILABILITY:

Standard	UV resistant, feathered polyethylene brush
Bus-Lite	Closed-pore foam
Hybrid	50/50 mixture of standard and bus-lite
Custom	Custom brushes made to order
