## SERIOUS PROS USE SOAP

While Hotsy pressure washers have blasting power and heat, smart pros combine them with soap to clean faster and better. Sizes range from 5 gallon buckets to 275+ gallon totes delivered to your door regularly. **Get a boost of power with Hotsy detergents.**

\*Financing based on credit approval. See your local dealer.

# COLD-WATER

## COLD WATER, HIGH PRESSURE

Hotsy cold-water pressure washers are commercial-grade, delivering power and reliable performance. Gas engine or electric models available in either portable or stationary styles. Gas engine models have up to a 4-year warranty on the engine. You won't find that at a big box retail store!

## A SERIOUS CLEANING MACHINE FOR CLEANING PROS

With 53 years of innovation and excellence, Hotsy is the brand that industry has come to rely on when serious cleaning is a daily occurrence. Our pressure washers are long lasting and dependable, plus they have the North American Hotsy dealer network standing behind them for service, accessories, and detergent. You will never find a more solid knowledge base when it comes to finding cleaning solutions than the Hotsy team.

Right now is the best time to buy a Hotsy with up to \$1,000 off our best machines. Get our new 797SS or 897SS or the ever reliable 1075SSE. And talk to your dealer about our excellent financing options. You can get a hardworking Hotsy for as little as \$116/month! **Don't settle for an ordinary pressure washer, get the best, invest in a Hotsy!**
